The Commission found that the domestic interested party group response and the respondent interested party group responses from Australia, Brazil, Japan, the Netherlands, Turkey, and the United Kingdom to its notice of institution (86 FR 49057, September 1, 2021) were adequate and determined to conduct full reviews of the orders on hot-rolled steel flat products from these countries. The Commission further found that the respondent interested party group responses from Korea and Russia were inadequate but determined to conduct full reviews concerning the orders on hot-rolled steel flat products from Korea and Russia to promote administrative efficiency considering its determinations to conduct full reviews on the orders with respect to Australia, Brazil, Japan, the Netherlands, Turkey, and the United Kingdom. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.
